A MODERN EXPRESSION OF GRANDEUR

L'ART DE VIVRE, THE *Essence* OF FRENCH LIVING

Inspired by the French philosophy of *l'art de vivre*, Le Château is conceived as a modern estate where space and light shape the rhythm of everyday life.

Set within Evermore, BEYOND's first fully masterplanned destination in Ras Al Khaimah, Le Château forms part of a place imagined as a complete world, rather than a single address.

WHERE EVERYTHING FEELS CLOSER

THE HOME OF
INSPIRED BY THE FRENCH

L'ART DE VIVRE
PHILOSOPHY OF LIVING WELL.

Le Château is a modern expression of presence, balance and life's gentle rhythms.

Days begin with the rising sun and the sound of soft waves. Landscaped promenades invite unhurried walks, while moments of pause become part of daily ritual. Simple pleasures are elevated through intention, proportion and ease. At Le Château, l'art de vivre is not an idea, it is a way of life.

The PROJECT II

AN ARCHITECTURAL LANDMARK
THAT SHAPES THE LANDSCAPE WITH
MOVEMENT, PRESENCE AND COMPOSURE.

WHERE FORM FEELS EFFORTLESS

Elevated SCULPTURAL FORM

Le Château rises in a soft, sculptural spiral across 31 floors, its form inspired by the flowing geometry of French gardens and the quiet elegance of classical composition.

WHERE LIFE FEELS NATURAL

Intrinsic ELEGANCE

Le Château shapes the site on which it stands. Every line is composed in response to the land, sea and sky as the tower gently rises from the ground. A contemporary icon of quiet grandeur, its form flows with rhythm and restraint.

WHERE LIVING FLOWS NATURALLY

DESIGNED *for* LIFE

From the measured rhythm of alternating white and bronze balconies, carefully designed to balance privacy and openness, to generous layouts and integrated planters that draw greenery into daily life, every element of Le Château is shaped by intention.

Nothing here is arbitrary. Every detail is deliberate. This is not standard living, it is a life of grand refinement.

The INTERIORS

HAUTE INTERIORS SET THE SCENE
FOR LUXURY LIVING WITH PREMIUM
MATERIALS AND ELEGANT FINISHES.

Le Château's story continues within, where interiors are shaped by light, balance and quiet refinement. Designed for effortless living, each space feels composed, calm and naturally elegant.

Floor-to-ceiling glazing frames uninterrupted views, while thoughtfully designed balconies extend living spaces outdoors. Beauty here is felt through proportion, ease and connection to the landscape.

WHERE ARCHITECTURE MEETS EASE

COMPOSED *for* CALM

Le Château blurs the boundary between indoors and outdoors through expansive glazing and generous ceiling heights, creating a sense of openness that elevates everyday life.

This continuity extends onto elegant glass and bronze-framed balconies, where integrated planters soften the façade and reinforce the connection to nature, light and well-being.

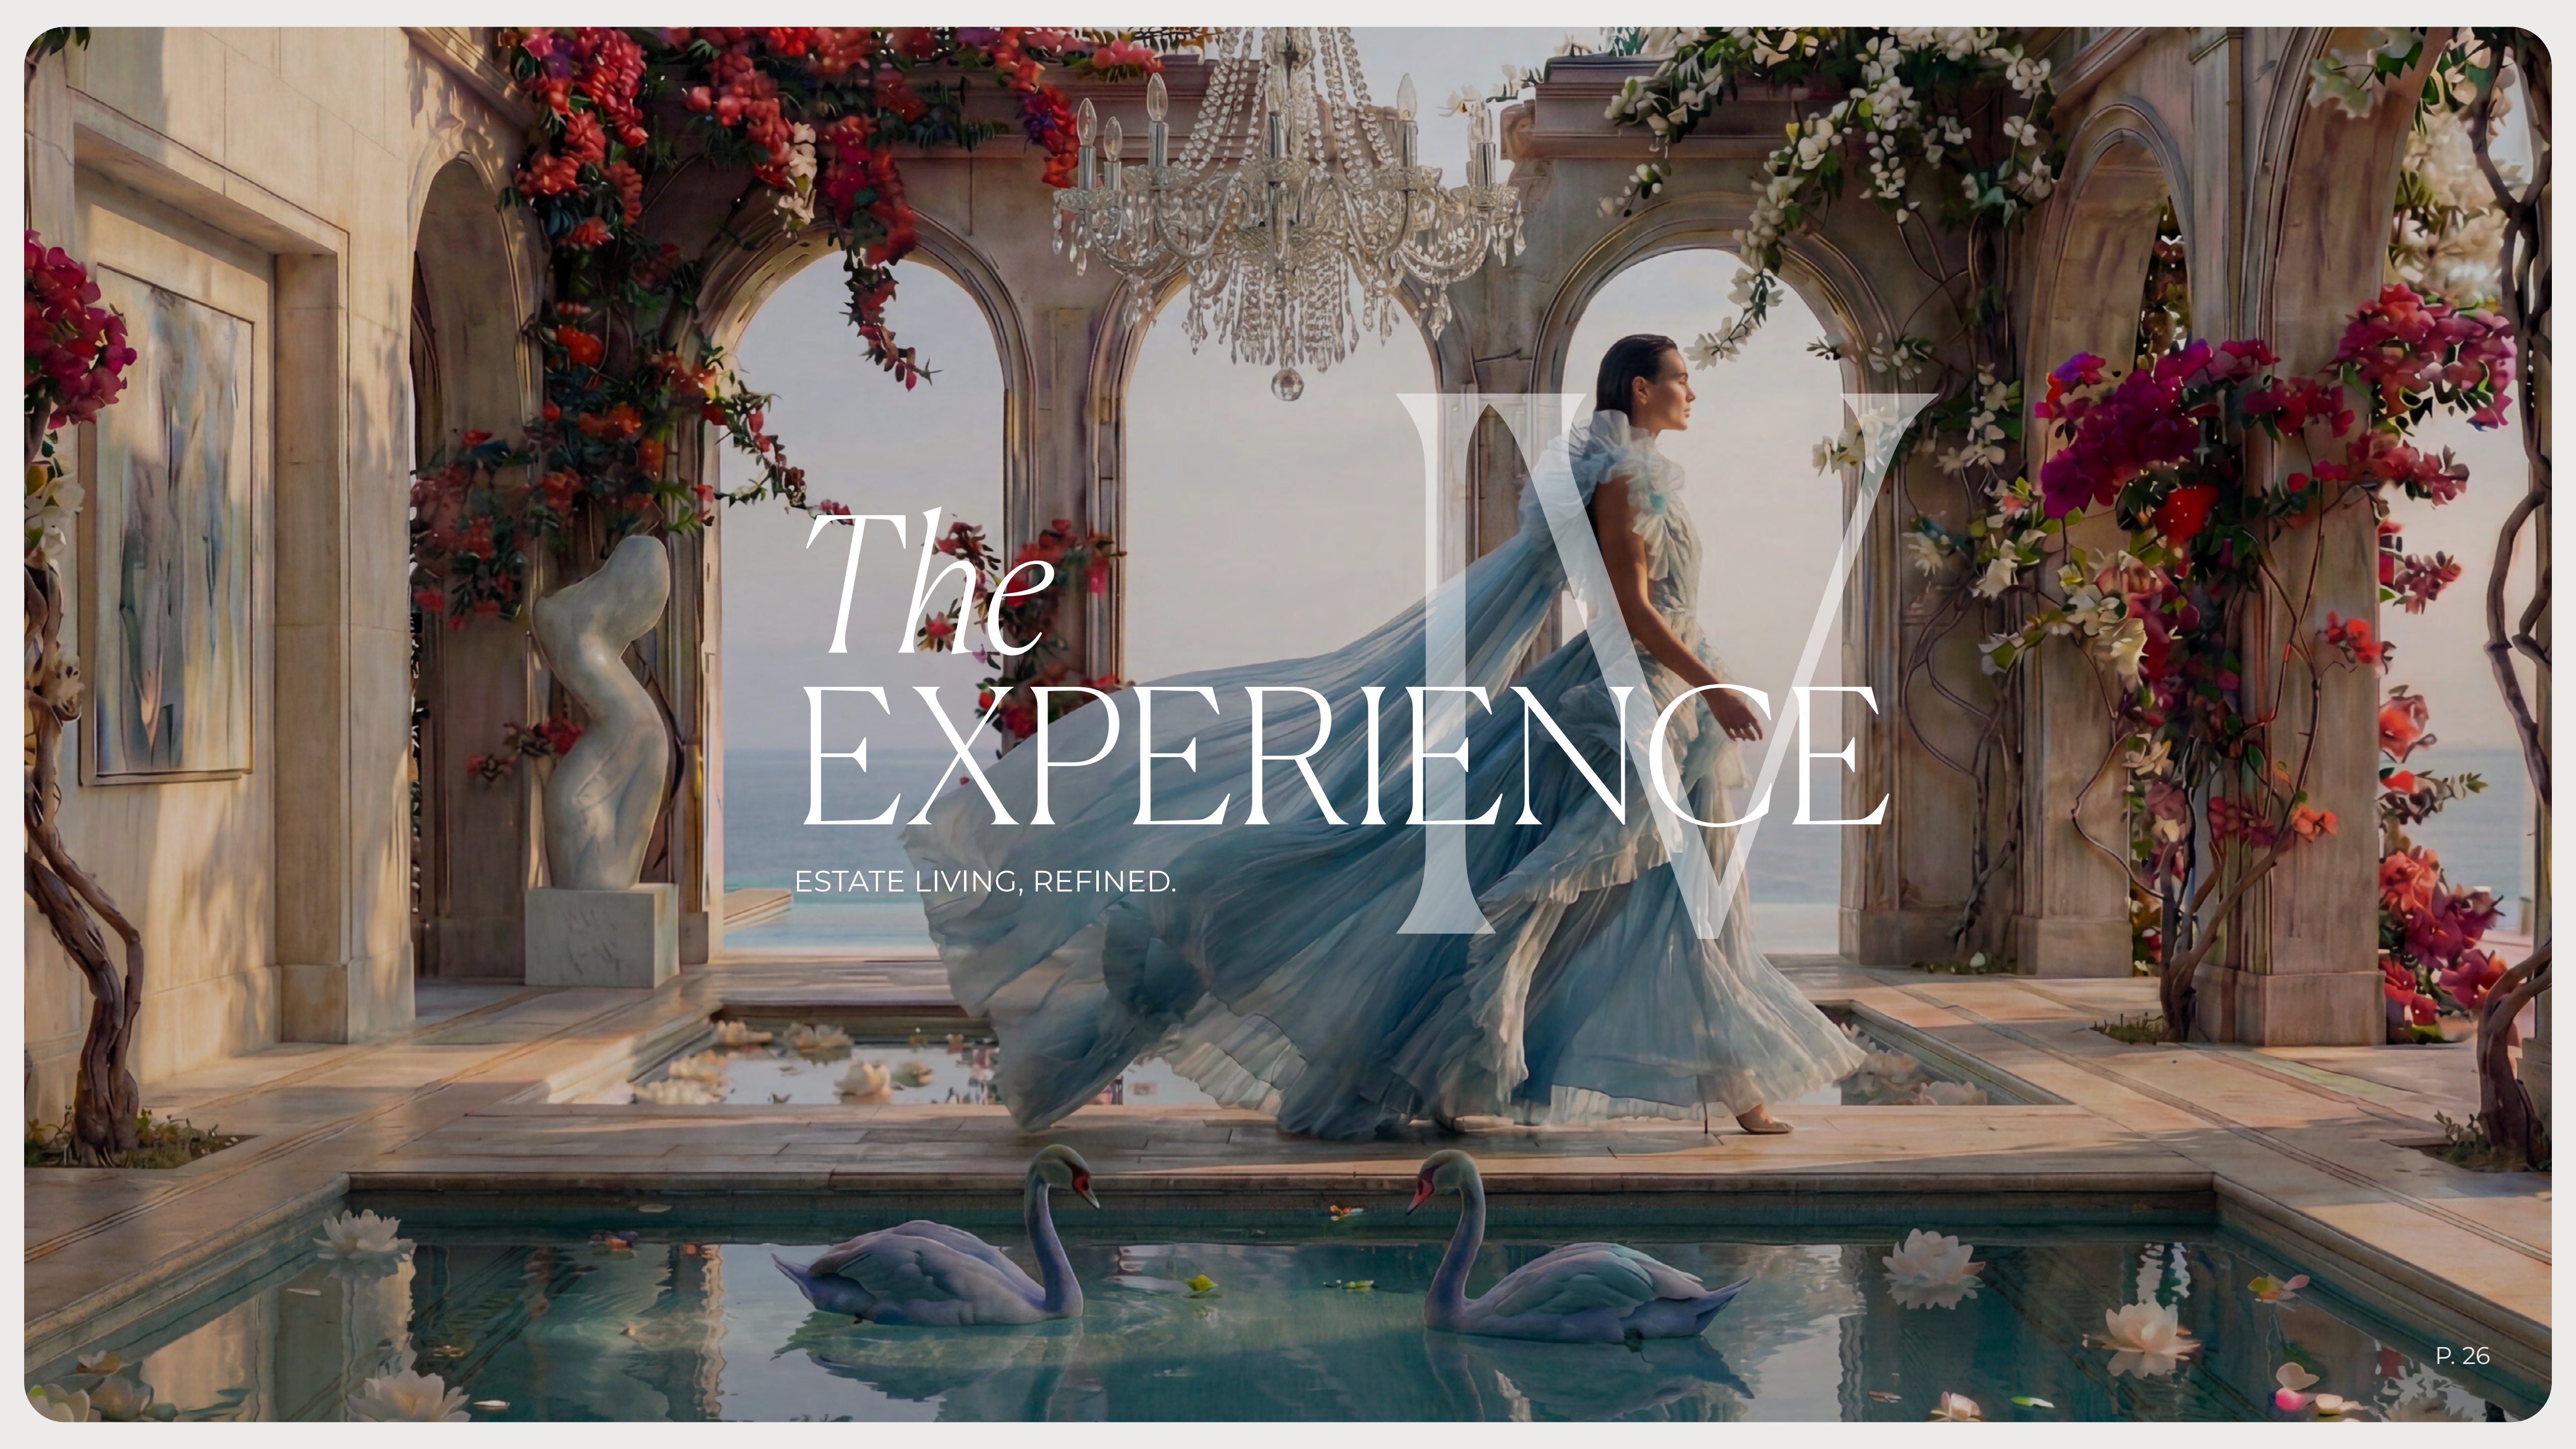

WHERE LIGHT, AIR AND REST BECOME ONE

PRIVATE *horizons*

Generous layouts open to expansive views, with windows and balconies framing skies from dawn to night. Designed as calm, immersive retreats, these bedrooms shape how residents experience light, air, and time.

A woman in a long, flowing blue dress with white ruffles is walking through a luxurious garden. The garden features a large, ornate chandelier hanging from the ceiling, a white statue of a woman, and a large, arched stone structure. The garden is filled with vibrant red and white flowers, and a large, ornate chandelier hangs from the ceiling. In the foreground, two swans are swimming in a pool of water, surrounded by white lilies. The background shows a view of the ocean through the arches.

The EXPERIENCE

ESTATE LIVING, REFINED.

OVERVIEW

THE ART *of* LEISURE COMPOSED

At Le Château, amenities are not additions, they are part of a considered way of life. Each space is designed to support well-being, connection and moments of pause, unfolding naturally throughout the day.

WHERE NATURE BECOMES PART OF LIVING

WITHIN *the* GROUNDS

The gardens at Le Château are shaped as an extension of the estate - places to wander, pause and reconnect. Curated greenery, sculpted courtyards and elevated terraces echo the spirit of classical French gardens, interpreted with modern restraint.

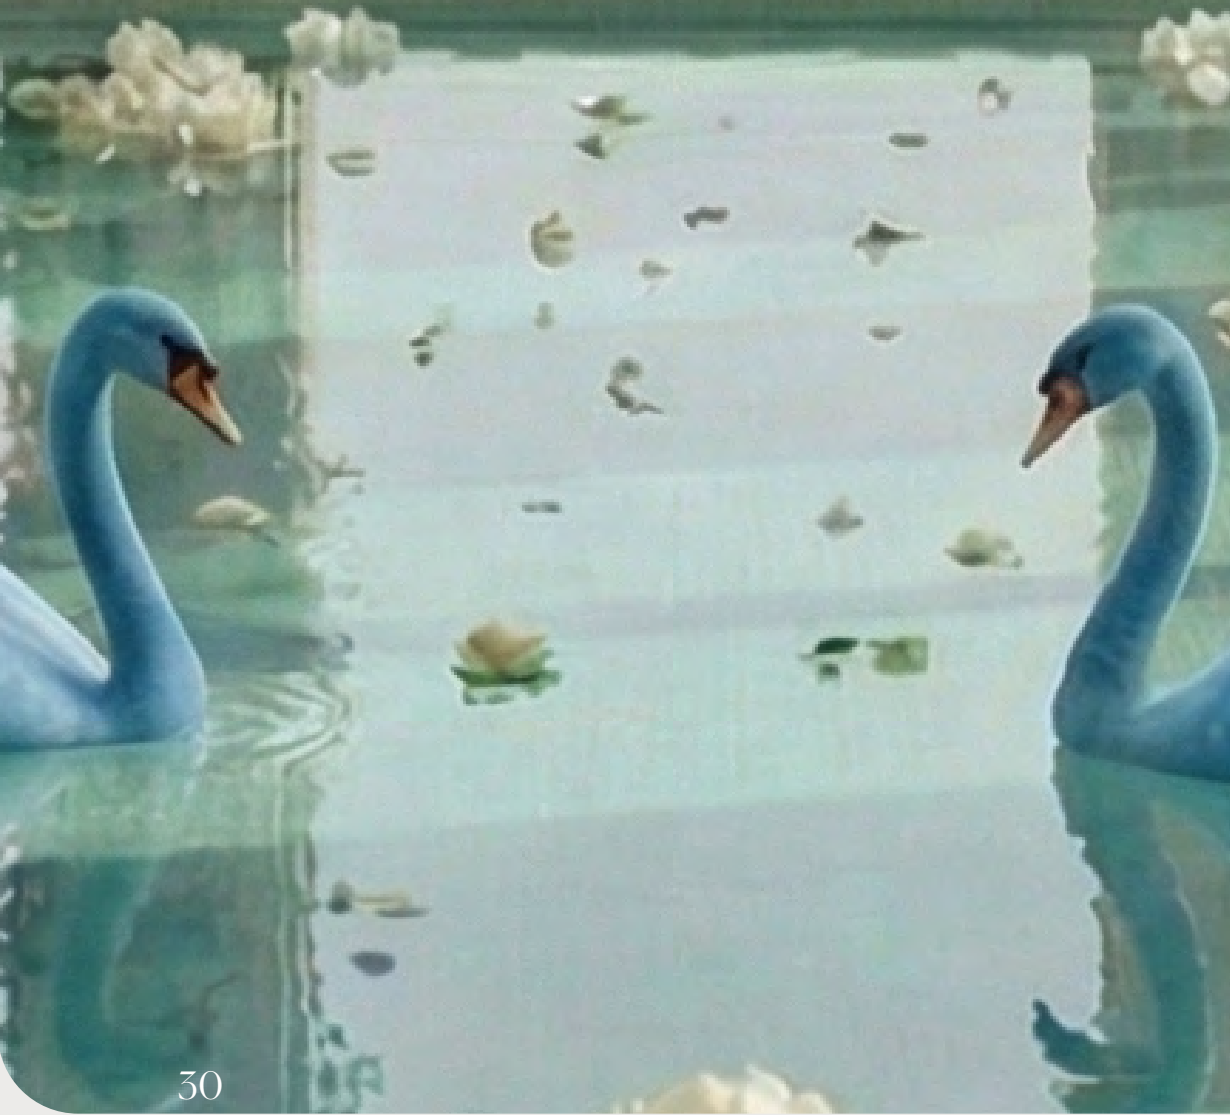

WHERE CALM TAKES ITS TIME

A MOMENT *of* REFLECTION

Residents can immerse themselves in the cool ethereal waters of the adults' infinity pool, beautifully crafted with sparkling shallows and integrated seating areas.

WHERE GATHERING BECOMES A RITUAL

The TABLE OUTDOORS

Inspired by the French tradition, the outdoor dining and barbecue space is designed for gathering al fresco at Le Château. Create precious memories eating, connecting, and laughing with friends and family as the sun slowly sets and twinkling stars emerge in the dark night sky.

WHERE MOVEMENT FINDS ITS BALANCE

A RHYTHM *of* WELL-BEING

Well-being at Le Château is seamlessly integrated into daily life. A state-of-the-art gym connects fluidly with outdoor sports and yoga spaces, offering a balanced environment for movement, strength and recovery.

WHERE EARLY MOMENTS BEGIN BEAUTIFULLY

A PLACE *to* GROW

Even the youngest residents are thoughtfully considered. The children's play area is designed as a safe and engaging space where imagination is encouraged and curiosity can unfold freely.

WHERE LIVING FEELS EFFORTLESSLY CONSIDERED

Discreet services complete life at Le Château,
supporting ease and everyday comfort.
